**GOVERNMENT’S SUPPLEMENTAL RESPONSE  
TO STANDING DISCOVERY ORDER**

The United States of America, by and through the Special Counsel’s Office, files this pleading to supplement prior responses (ECF Nos. 30, 59, 80, 92, 113) to the Standard Discovery Order, issued on June 13, 2023 (ECF No. 16). This pleading complies with Local Rule 88.10 and Federal Rule of Criminal Procedure 16.

Per the protective order issued in this case (ECF No. 27), the Government has provided three prior productions of discovery to Defendants Donald J. Trump, Waltine Nauta, and Carlos De Oliveira. *See* ECF Nos. 30, 59, 80, 92, 113. On August 15, 2023, the Government provided a fourth production of unclassified discovery to counsel for Defendants (“Production 4”). Production 4 includes, *inter alia*, the filtered, scoped search warrant returns from Defendant Nauta’s recently accessed phones and additional memorialization of witness interviews. The Government has now produced the filtered, scoped content from all search warrants obtained to date. Although there will be additional discovery productions, the Government anticipates they

will consist primarily of memorialization of witness interviews finalized after today's date and additional Jencks Act material.

The Government responds to the specific items identified in the standing discovery order as set forth below.

- B. DEMAND FOR RECIPROCAL DISCOVERY: The United States requests the disclosure and production of those items described and listed in paragraph B of the Standing Discovery Order, and as provided by Federal Rule of Criminal Procedure 16(b).
- C. The Government is providing information or material known to the United States that may be favorable to either defendant on the issues of guilt or punishment within the scope of *Brady v. Maryland*, 373 U.S. 83 (1963), or *United States v. Agurs*, 427 U.S. 97 (1976).
- D. The Government has disclosed and will continue to disclose any payments, promises of immunity, leniency, preferential treatment, or other inducements made to prospective Government witnesses, within the scope of *Giglio v. United States*, 405 U.S. 150 (1972), or *Napue v. Illinois*, 360 U.S. 264 (1959).
- J. The Government's discovery productions include the grand jury testimony and recordings of witnesses who may testify for the Government at the trial of this case.

The Government is aware of its continuing duty to disclose such newly discovered additional information required by the Standing Discovery Order, Rule 16(c) of the Federal Rules of Criminal Procedure, *Brady*, *Giglio*, *Napue*, and the obligation to assure a fair trial.

Respectfully submitted,

JACK SMITH  
Special Counsel
